

IWI is the "ONE SOURCE" for all of your Dust Collection needs. We are NOT simply a Manufacturer's Representative. What does this mean to you? Total Accountability, Exceptional Service, and a Job Done Right... *the FIRST Time!!!*

Representing the industry leader – DONALDSON TORIT, we are a Complete Engineering, Installation, and Service Organization, coupled with "In Stock" Aftermarket Filter/Parts and "Factory Certified" Service Technicians. A rare blend of capabilities in today's crowded marketplace.

Our 30+ years of experience enables us to specialize in all aspects of Air Pollution Control. We are the Professional Solution for your Specific Dust Collection Project
